### Directions for Completing the Application for Certification to Sell Bottle Water

1. Complete all sections of the attached application
2. Forward the completed application with check for \$1000 per source made payable to "New Jersey Department of Health and Senior Services", either to the PO Box listed below for US mail, or private delivery services must be addressed to:

US Mail: New Jersey Department of Health and Senior Services  
Food and Drug Safety Program  
P.O. Box 369  
Trenton, NJ 08625  
Attn: Alan Talarsky

Private: New Jersey Department of Health and Senior Services  
Food and Drug Safety Program  
135 East State Street  
Trenton, NJ 08608  
Attn: Alan Talarsky

3. The manufacturer must perform source and finished product laboratory analyses of the parameters (analytes) listed in the following attachment, conducted by a NJ-certified water testing laboratory. The list of certified laboratories can be obtained from the NJDEP at (609) 292-5550 or by visiting their website at [http://datamine.state.nj.us/DEP\\_OPRA/OpraMain/categories?category=Certified+Laboratories](http://datamine.state.nj.us/DEP_OPRA/OpraMain/categories?category=Certified+Laboratories) and click on the second menu choice, 'Certified Drinking Water Labs'. The lab analyses must have been conducted within the last 6 months of the date of application.
4. The manufacturer must also provide a copy of the most recent inspection report (must be rated satisfactory) of the water source and bottling facility from the regulatory authority that governs bottled water in the facility's jurisdiction.
5. Attach labels for all brands, sizes, types of containers (e.g. plastic, glass) that are intended to be sold or distributed in NJ. NJ labeling requirements are the same as 21 CFR 165.110(a).
