## Help Reverse an Opioid Overdose **FREE Narcan Training**

We are offering Free ONLINE Narcan Trainings. If you are at risk of an overdose, care about someone who is or work with those at risk you are eligible for this training. Starting May 18th, We will have weekly online trainings, Mondays from 5pm-6:30pm and Fridays from 11am to 12:30pm.

### TRAINING INCLUDES:

- Overdose prevention strategies
- Signs and symptoms of an overdose
- How to administer Naloxone
- Rescue breathing
- Overdose prevention legal rights

Please contact Kelly LaBar for more information or to register for a training!
